IN  
THE FIELD OF UAS**

Fukushima Robot Test Field, Fukushima Innovation Coast Promotion Organization of Japan (hereinafter referred to as “RTF”) and Drone federation of India (hereinafter referred to as “DFI”), share the common views on high growth potential of Unmanned Aircraft System (hereinafter referred to as “UAS”) market and technological development, and recognize wide range of experience and excellent achievements in each other. Based on these views and recognition, RTF and DFI reach a consensus to explore opportunities for cooperation in the field of UAS for mutual benefit.

**1. Area of cooperation**

**(1) Exchange information and opinion**

RTF and DFI will share useful information of mutual interest, such as standard and conformity assessment, international standardization, testing technology and social implementation of UAS and have opportunities to discuss such topics.

**(2) Business operators support**

RTF and DFI will support the dialogues and collaborations between RTF users and Indian UAS business operators when they expand their business in other country.

**(3) In the field of common interest.**

RTF and DFI will promote their cooperation in the field of common interest.

**2. Others**

**(1) If deemed opportune by the Parties, other specific agreements will be signed to cover specific subjects, or broader programs.**

**(2) This Memorandum of Understanding (hereinafter referred to as “MOU”) does not constitute any commitment of resources, and either Party will bear the costs of covering their respective responsibilities as required.**

**(3) This MOU will take effect on the date of its signature and will remain in effect unless either Party give a written notice of termination this MOU to the other.**

**3. Confidentiality**

To the extent permitted by the laws applicable to each Party, the Parties will keep confidential items defined as “Confidential Information”, and will not provide or disclose Confidential Information to any third party without the other Party’s written consent. Confidential

Information will remain confidential for additional three (3) years after the termination of this MOU.

Two original copies should be signed by both parties.
